- Surround the Capitol Building in the morning
- Yell, honk, scream. Display your... "fists." Block Democrats from the chamber
- If Congress disobeys, the protest becomes a siege. Millions of Americans opposed by 5000 Palace Guards. Who wins?

If you know any MAGA supporters in the DC Metro Police or Capitol Police, tell them to call in sick.

▼ And remember folks, whatever WE do on this day will be echoed across the world. A chance to start a global revolution.

▼ And just a reminder. . . On Jan 6, Capitol Building/Halls of Congress is ground zero. Jump the lines. Cross the roadblocks. Push past the robo cops. Don't let them usher/kettle us to any other "symbolic" monument. IMPORTANT. They need to hear our roar inside the chambers before the fuckery begins
